| <p>How do you form teams?</p> <p><i>For more information, refer to the Registrations page found at www.concordsoccer.org.au/registrations and click on the relevant age group or visit www.concordsoccer.org.au/how-we-form-teams</i></p> | <p>Everyone is new! Players are grouped by the school/preschool they attend so they will most likely know someone in their team. Teams will be formed by combining two or more schools so children get to meet new friends</p> | <p>Many players were previously formed into teams, some players will be new. Each new season, we do as much as possible to sort players into teams based on (1) the team they played in last season and/or (2) the school they attend (e.g. new players)</p> | |
| <p><i>Important: Please do not ask to change teams after they have been formed. Team numbers are balanced so moving even one player unbalances two teams. Please note we do not accept requests to set up specific teams as we have found it becomes overly complicated with multiple changes of mind and causes much resentment in those who are excluded</i></p> | | | |
